Ogden Canyon 36” Water Pipeline Replacement Project

SR-39 LANE CLOSURE NOTICE

Lane closure begins as early as Monday, November 2, 2026

Expected lane reopening **April 2027**

Beginning as early as Monday, November 2, crews will install pipeline along SR-39 in Ogden Canyon. One lane will be closed for about a quarter mile, between The Oaks Restaurant and the Ogden Canyon Water Treatment Plant.

**Schedules are subject to change. Updates are posted at ogdencitypipeline.com

WHAT TO EXPECT

- One-way alternating traffic 24/7 through the work zone
- Flaggers directing traffic during the day
- A temporary traffic signal at night
- Delays of 5–10 minutes, especially during peak travel times
- Allow extra travel time and slow down near the work zone
